Sir:

**RESPONSE "D"**

The present Office Action Response responds along with an RCE to the Final Office Action. Claims 1-7 and 12-18 are currently pending in the present application. Applicant is not amending any of the claims and is traversing the claim rejections, while submitting a terminal disclaimer to overcome the double patenting rejection. Applicant believes that no new matter has been added in this Final Office Action Response and that the application is ready for allowance or in better condition for an appeal. Applicant asks that the Examiner reconsider the identified patent application in view of the following amendments and remarks.
